Our Mission: Plan growth to sustain and enhance the quality of life.

One of the duties of the Henderson County Planning Department is to provide staff support and technical assistance to the [Planning Board](#) [2], [Technical Review Committee](#) [3], [Transportation Advisory Committee](#) [4], [Rail Trail Advisory Committee](#) [5], and [Historic Resources Commission](#) [6]. Planning staff also works with and assists other County Departments, governmental agencies, public officials, and the public.

The Planning Department, under the direction of the Board of Commissioners and supervision of the County Manager's Office:

1. Conducts studies and develops plans containing recommendations for the future development of the County;
2. Prepares ordinances intended to protect the public health, safety and welfare;
3. Administers regulations regarding the subdivision of land; and
4. Assists the public with questions on land use matters.
